

## SCOTTISH SOFTIES

### CLEVER KOMBUCHA

Raw, Alive & Natural. A naturally sparkling fermented tea packed with vitamins and enzymes. 4.50

Ginger  
Lemon & Lavender

### MIDDLE WAY WATER KEFIR

Traditionally fermented gently flavoured water, packed with probiotics. Kombucha's younger cousin, without the caffeine. 3.25

Lemon  
Apple & Ginger

## HOT STUFF

### COFFEE

Specialists in small batch roasting, Hand Roasted In Scotland use time-honoured artisan methods, which use much smaller machines and less than 10kg of beans per roast, to ensure the utmost freshness and an even more refined taste.

Batch Brew 2.00  
Espresso 2.00
